

Filigree Carriage Clock Timepiece

A pretty Victorian carriage clock timepiece with a brass case. Filigree friezes at the top and the base and fluted pillars to the sides.

The gilt masked dial has a silvered disc with recessed painted Roman numerals and with a filigree center.

The unsigned, 8-day movement has its original lever platform escapement.

Original, blued steel lancet hands.

Height: 6" (15cms)

Width 8cms

Depth 6cms
