

Late Victorian Mahogany Dial Clock

A 1900s English dial clock with an 8-day fusee timepiece movement and signed dial.

The mahogany case has a hinged side access door, and curved base door for access to the pendulum.

The 12-inch repainted iron dial is signed *Gerhardi, Wendover*.

The cast brass convex bezel is fitted with flat beveled glass, and is latched behind the dial surround to keep it shut.

Overall diameter: 14½ inches (37cm)

The case and dial are in excellent condition, with the movement fully overhauled and guaranteed for 3 years.

The price includes delivery within mainland UK.
