

Small French striking Carriage Clock

Presented for sale in 'as new' condition is this antique carriage clock of small proportions.

The cannalée style case is three quarters of the standard size, and is newly regilded in a soft satin finish. The beveled glasses to all sides are perfect.

The silvered Roman dial sits behind a gilt mask, and has a filigree centre.

8-day movement striking the hours and the passing of the half hour on a coiled gong, and repeating the last hour on depressing the button on the top of the case.

It has the original silvered platform with lever escapement.

To be overhauled and guaranteed for 3 years.

Height: 5.25 inches (13.5cms)
