

World time Desk clock, for Aspreys

A very beautiful gilded desk clock originally retailed by the London jeweller Aspreys, and presented for sale in excellent condition.

The backward-tilting clock face displays six separate time zones, the main one for your location, plus Paris/Rome, London, New York, Tokyo and San Francisco. The clock swivels on its axis.

In addition, the outer ring rotates for easy reading of the current time at multiple locations around the world.

Quartz movement.

Height: 20cms

Presented in its red velvet lined leatherette presentation case.

Fully guaranteed.
