

Inlaid Mahogany Wheel Barometer

A fine mid 19th century inlaid mahogany wheel barometer by Bartolla & Alieti, Witney.

The fine mahogany case has broken pediment centred by a brass finial, over a long thermometer box.

The eight inch silvered dial is signed, and fitted with a concave sectioned bezel.

98cm (38.5in) long.

Overhauled and guaranteed for 3 years.

Price includes delivery within mainland UK.
